I.W District 320

District Chairman Message

Dear President Harshida & Members of IWC of Coimbatore,

Warm greetings !

We are two months into the Inner Wheel year. The excitement of a successful Breastfeeding Awareness Week in August gave way to something equally invigorating in September - Teachers' Day & World Literacy Day ! Both occasions were celebrated in a befitting manner by Clubs in our District. It was so heartening to see all of you gearing up to present deserving school teachers with the Nation Builder Awards or carrying out novel projects to improve infrastructure in schools. Congratulations !! You made our District proud !!

This is also that time of the year when I begin my Official Visits to Clubs. I have been waiting for this occasion and am truly looking forward to being part of your Club activities, fellowship and unique projects during my visit. A Club Bulletin speaks of the oneness & the energy of a club and it is my privilege to pen a few line on its pages.

The IIW Theme this year 'Touch A Heart', encourages us to touch the lives of the needy in unique ways. 'Enjoy', the guidelines given by our Association President guide us towards a holistic approach to life.

Together, may we 'Touch A Heart', may we 'Enjoy', may we give 'Hope'.

Wishing all of you a Beautiful Innerwheel Year !

Harshida Vagadia

President 2016 - 17
I.W District 320

President Writes.....

Time flies. It seems to me just now I had finished the installation, but lo! Here is the Chairman visit. When I look back these two months, I have seen only Inner wheel all over. Almost every day there has been something happening in Inner Wheel Coimbatore. Breast Feeding, Annadhanam, Organ Donation Awareness, Projects at Amrut School, Teachers Day celebration at Seva Nilayam, visit to Shanthi Ashram, Nation Builder Award Assessment and Award Presentation, Cricketing, our monthly meeting, meeting of all the sister club Presidents and Secretaries, Meeting with Siruthuli Officials, Donating gowns to the inmates of old age home, etc. and of course Chairman visit projects - renovation of kitchen at old age home, library furniture to Angan Wadi at Shanthi Ashram, providing Freezer for Seethalakshmi Hospital, Tree Plantation, donating 25 Blankets and 25 Sarees to the needy. The show of support by our members was very encouraging on the day of my installation, and I am really pleased to note that that support still continues with more enthusiasm and bonding, more than 35 of our members have participated actively in the above projects and programs, and I am sure the others will actively participate in the forthcoming months along with them. I would have a great sense of satisfaction when all our members would have contributed in one way or other in our future projects and programs. District Chairman Archana and District Officials have been a great source of strength to me. We have touched the hearts of many; we shall strive to do more in the coming months. Let's enjoy Inner Wheel. A number of my good friends in Inner Wheel have voluntarily come forward to support the projects and programs, and I reserve expressing my gratitude to them for want of space for the list is so long. I thank each and every one of you, my friends for your unstinted support, and look forward to more such support to carry out my duties as the President of such a prestigious club - Inner Wheel Club of Coimbatore. Be happy and create happiness around.

Secretary's Message

My dear Inner Wheel Friends,

Warm greetings to all of you
I am thoroughly enjoying my year as the secretary of this prestigious club. Through this office I have an opportunity to serve Inner Wheel. It is a wonderful Organisation!

We have kept in mind the Association and District goals while implementing our club projects. We will swing our magic wand of unison, teamwork, dedication, promptness and above all our selfless service to take our to the pinnacle of glory.

From The Editor's Desk.....

Welcome to the Chakram 2016 - the 2nd issue of our Club.

A big thanks 🙏 to the encouraging words of our District Chairman Archana Kamath which makes me more glued to my job as an editor. Thank You mam.

The release of our 2nd Bulletin, albeit a little too early allows us to reminisce with pride and joy the magnitude of the activities done so far and simultaneously we also look forward in giving back to the society, the need of the hour - "TOUCH A HEART".❤️

Our President Harshida has done tremendous work where the photos will speak volumes for her.

I thank you for the important role you play as we steer our great club into the future.

Thank You
Murugambal Sundaravadevelu

You leave GRD NOT JUST WITH A CERTIFICATE

Studying at GRD is a lot more than earning a degree or helping oneself get ready for a career. Of course, it is one of the finest campuses in India, in terms of the ambience, facilities and eminence of the faculty. But, above all of it, we are keen on helping the students develop a vision in life, a vision that enables them to deal with the world as well as themselves even for decades after leaving the College. Apparently, what awaits you here is not just a conventional classroom. Interactive sessions, seminars, events designed for personality enhancement, face to face discussions with celebrities and intellectuals, creative workshops, study tours... the list of things you will get engaged in is long. Yes, now it is your turn to make the decision.
