Friendship and Service

Message from Association President Ms. Saroj Katria

Dear Club Presidents,

It is a great opportunity that I am talking to my dear Club champions who are second to none in terms of their efficiency and dedication, who once committed to a cause can do wonders. Dear friends, this commitment of yours is the strength that has built an enduring Inner Wheel and is propelling it on the path of sustained social work and bringing smile to the face of the needy and underprivileged. Days are not far when Inner Wheel will enter into the next league of the most dedicated, committed, change maker clubs of India.

The role of the projects we have planned is to help, develop and implement educational, humanitarian, and vocational service that will bring change in the society. I am looking forward to full-fledged participation by each one of you so that we can execute our goals with substantial results. I am confident that the Inner Wheel Organization will exceed all expectations in the Vision year 2021-22. This is the year for the long-awaited 16th Triennial Conference:  ENVISION 2022
THINK - IMPLEMENT - ACHIEVE

The Conference – will give all of you a golden opportunity to empower yourself by learning, sharing experiences and meeting the stalwarts of Inner Wheel. It will feature workshops, motivating programs, interactive sessions, quiz contest and outstanding entertainment. Inspire club members to join in large numbers and make it a huge success. In accordance with the IIW theme -**PINK FIRST** the goal for our year 2021-22 is SHEROES, where the first letter S stands for Stree Shakti: -Build -Motivate -Grow a vision for empowering women through entrepreneurship.

The focus now is on you and the responsibility of leadership lies on your shoulders: How many milestones you cover! How many new members you inspire! How many lives you are going to change!

depends on you- your enthusiasm, your dedication, your openness to new ideas. Do remember: no matter how much you accomplish — no matter where this year of service takes you — I can promise you this: the life you change the most is your OWN. We have begun this journey together and together we will lead our organization to a better future.

Wishing you all the success in future!!!!

Love

Saroj**Message from District Chairman Ms. Alamelu Sivaramakrishnan****Dear Incoming President Deepa,**

Warm Inner Wheel Greetings...

It is with great sense of responsibility that we have to accept our elevation to a distinguished office at the time of the worst humanitarian crisis our generation has witnessed. However cheerful we try to be, the pictures of sufferings and pain around us brings sadness and disappointment.

But then it is said, 'a positive thinker sees the invisible, feels the intangible and achieves the impossible'. Our Nation, our people and our society needs us more than ever before. Whatever we can has to be planned and executed from inside the four walls of our house. Thanks to the development in Technology, we have access to the needy, the victims, the patients, the caregivers, the philanthropists and the payment mechanism on the tap of a phone and we need not step out amid the surging cases. Please hold your morale high, be positive and seize the best of the opportunity God has given us to serve the needy. Every small act that we do brings smile and relief to the less privileged. It is not the measure of our work that counts but the love with which we do. 'Yesterday is gone, Tomorrow is yet to come, and we have only today...

LET US BEGIN'

Wish you all the Best

Alamelu Sivaramakrishnan
District Chairman Elect 2021-22

Message from Outgoing President Ms. Ankitha Dinesh

WE RISE BY LIFTING OTHERS". The little contribution we all make in lifting the lives of others will definitely make us feel good and proud. Amidst all the hue and cry, confusion and controversy, the year 2020 has brought monumental changes that have already included a global pandemic.

NEVER, did I imagine becoming the President during a world-wide pandemic that isolated us in our homes, put us in masks whenever we did venture out and kept our children out of school since mid-March. It has caused so much financial stress in our community and the world, along with the mental anguish of not being able to shake hands or be socially close to our family and friends.

But, here I am, the first virtually inducted President of this club prepared to take over leadership during these unusual and difficult times in the history of present generations.

I am proud of how we have proven our ability to accept and adapt drawn upon our core values of service, integrity and leadership. The needs in the world are greater and more diverse than ever before. There are many challenges, but we are unstoppable. We moved meetings online and found new ways to serve. Innovation and unique change are happening at a new remarkable way helping to rebuild, reshape and restore our communities.

Under the able guidance and motivation of our super cool leader District Chairman, Deepthi Anoop we are able to close this year with a great sense of satisfaction. The proactive and overwhelming response of our ever dynamic members supported me to carry out the activities and execute the noteworthy projects in a better way. I am extremely grateful and pledge my gratitude to the stalwarts of our club for the unconditional support and encouragement. I thank almighty for this wonderful opportunity to lead this prestigious club. Enjoyed making new good friends. I treasure the good memories and cherish all the moments of this special year through my lifetime.

I look forward to our next board, under the leadership of **Deepa Venketraman**, to continue to propel **Inner wheel Club of Coimbatore** into a promising future.

Yours in Inner Wheel
Ankitha Dinesh

Message from Incoming President Ms. Deepa Venketraman

Proud to be an Inner wheel Member!

Proud to be the 46 th President of our Prestigious Club, IWC of Coimbatore!

Beginnings could happen more than once in different ways! And what a beginning 2020-21 has been! It completely pushed us out of our safe Comfort zone and we had to re-engineer ourselves so quickly. That makes the stupendous work of President Ankitha n Team an even more significant one! Kudos to you!

Gratitude is a wonderful way to draw more beauty into one's life. .My heart is filled with immense thankfulness to all members for reposing your faith in our team to take the Club forward this year.

Now more than ever we need to help, reach out and support each other in building stronger ties amongst ourselves and within our communities. None of us know what might happen even the next minute. Yet, we strive to go forward.

Because we Trust! Because we have Faith! Because we are Strong!

"Here is a note to all Strong Women:

Let us know them

Let us be them

Let us Raise them"

On that note, with renewed Trust, Faith and Strength of mind we are confident this year too, is going to be filled with Joy, Love, and Pride.

A year which is going to be Cherished, Relished and Celebrated.

Love and Good Health
Deepa Venketraman

Message Incoming Secretary Ms. Bhuvana Sathish

I am deeply honoured to become the Secretary of the Inner Wheel Club of Coimbatore. I pledge my utmost support and dedication in fulfilling the defined ambitious agenda of the club. I assure you that I will do my best to meet the challenges in this Year and support our President in carrying out many worthwhile projects that we undertake for the benefit of our community.

I would like to remind us about a famous quote by Winston Churchill who said "We make a living by what we get, but we make a life by what we give". Of course, today we exist in a society where much emphasis is placed on personal wealth accumulation. However, we must always remember the less fortunate amongst us, and the fact that life in abundance, comes as a result of giving ourselves to others. This is who we are as an Inner Wheel member...

We know that the more we give of ourselves, the more we are likely to receive, so that we can continue to make a difference in the lives of others. I am an optimist, and I am full of hope about the future of our club. Let us work together to deliver more and better.

With Love and Warm regards,
Bhuvana Sathish

Message From the Treasurer

Inner Wheel Club is where one can show their creativity and it also gives an opportunity to grow and showcase one's talent. I took the treasurer's post of Inner Wheel with nervousness as it was a BIG responsibility. But thanks to all the committee members who extended their support and I am confident today.

It is totally a team-work and I am honoured to do this.

Thank you one and all.

A Book that Inspired me!

Jaya Ramesh, Editor, Inner Wheel club of Coimbatore, picks the Mahabharata!

A Book that I read often and that always holds meaning for me is The Mahabharata.....

I was in class 5 when it was read to us. Would wait with impatient curiosity as to what happens next. At that age it was simply a fascinating story.

The next time I read it myself was after marriage. A little mature (ha ha), a little life experience living with new people. And with an attitude that I can make meaning of it. It went over my head. initially. But it drew me to the complexity of each situation and how it weaves the lives of each one to come to the battlefield.

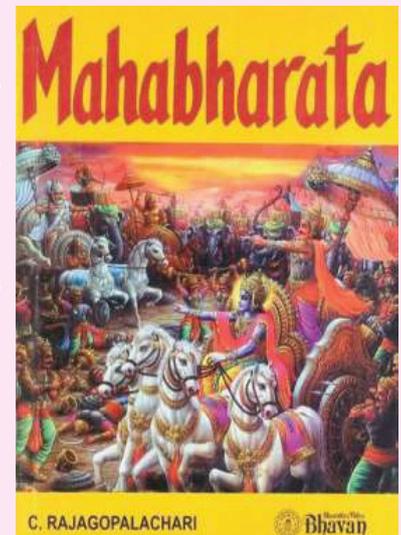

I read it again after a gap of 10 years. This time the emotions of the characters hit me as I had more experience of life. Good times, not so good times, pain, disappointments, unpleasant situations.

And the question WHY ME?

This is the book which slowly unravelled the mystery of - What is life? How to live my life...What is action & inaction... Karma ... and a whole range of questions. It also raised questions of what the heaven and earth am I doing here? Am I doing what I am supposed to do?

I am still in the process of this divine journey.

From a fascinating story to a journey into SELF is what this epic has been about for me.

Hello friends,

It is said that “ANNADANAM (FEED THE HUNGER)” is the highest form of charity and i have been blessed to get this opportunity to take up the project “Feed the Hunger” and add smiles to a face.

Our members have been very supportive in sponsoring food on all occasions like Birthdays, Anniversaries, Death Anniversaries etc.

We started this project in the month of June sponsored by our President Deepa Venketaraman and in the following months many of our members contributed.

From June to October 15th, we have organised 37 Feed the Hunger projects and fed almost 2437 needy people worth Rs.1,21500/-.

I sincerely thank our club member Pratibha Lulla who has been attending all the Feed the Hunger projects with me.

Last, but not the least, a big thanks to our President Deepa Venketaraman and team for having full faith in me for this project and being a constant support right through the journey.

Thank you one and all. Looking forward to all the members, for their continuous support in the months to come.

If i win a lottery I wish to go to Dubai for the expo with my younger son. Visit all the places tall buildings ... particularly desert safari, gold shopping.

- Radhika Paramesh

Ok, first I will clear all small and big loans ,then help someone in need ,then whatever is left I would like to go with my family to all India tour, then aboard to my sister's, aunt and brothers place, all travel by first class in flight and train both, book a Limousin to go around in USA,go to Disneyland.....

- Trupthi Parekh

Ahoy! Ahem! the clatter of the anchor releasing from the shore, the hooting of the luxurious five star cruise announcing its departure on an exotic journey around the world in 100 days is like heavenly music to me, my best friends and their families on board !

Imagination running wild all the exotic destinations enroute and the gala time we would have in every dream destination dances in my mind!

Alas! it was a dream!!

In reality if I was bestowed with a lottery of abundance I would make Tamilnadu a heaven for tourists building restrooms across the state and ensure its hygienic maintenance by setting up a charity, the proceeds of which will cater to the maintenance of the same!!
