My dear Club ISO,

It is a proud moment for me Devi Maruti, to take up the ISO office of a world renowned women's voluntary organization this year. The motto of which is Friendship and Service.

Friendship in Inner Wheel is the strength which bonds us together. As an ISO, i extend a warm welcome to all of you with open hands and look forward to interact with you and strengthen the Friendship in Inner Wheel.

#### **About our District -**

Our District geographically comprises of Clubs both from Kerala and Tamilnadu. We are very lucky to enjoy both the cultures. Unity is Diversity is always charming.

We have had many Past Association Presidents Geetha Padmanabhan, Shantha Mookan and Gomathi Viswanathan, while parallelly we had Association Secretary, Treasurer and CCC Chairman from our District. We have hosted a Triennial conference in Coimbatore and two incoming Chairmen Institutes and other Inter District Programs.

#### **About our Club -**

Every club meeting is conducted in a unique manner. Six to ten members in a group put in all their creative ideas and make every meeting special, with good food, ambience and programs. They make it very interesting and meaningful to the members, who get back with happy memories looking forward, to their next meeting.

The President and Secretary conduct the meeting smoothly following all the protocol of Inner Wheel. Each and every executive committee member and sub-committee members take up responsibilities individually for smooth running of the club.

It's a proud moment for us, as some of our projects are highlighted in the International Inner Wheel Newsletter.

Contributions pour in from all our members for the projects willingly.

Geetha Padmanabhan past Association President, the walking encyclopedia is the backbone of our club very supportive in every manner. We have PDC Vijayalakshmi Ravi and PDC Anitha Srinivas as well to support and guide us.

Our President Sasikala Anand is all geared up with noble projects to help the needy No words to show my love to be a part of this organization and enjoy Friendship and service

#### **About Myself -**

I am married to Rtn. R S Maruti, Director, Samba Publishing Company and have two daughters, Abinithi and Abbasree who are both graduated from the CASS Business School, London. I hail from a family of Rotarians. I enjoy travelling, gardening, hosting guests at home. I'm also a Rotarian and i am inclined in the service towards cancer parents.

During this venture, I have planned to send hand woven baskets " ISO BASKETS OF FRIENDSHIP" to all my dear ISO sisters, as this initiative will be of help to promote all women entrepreneurs.

**Looking forward to a successful, fun filled year as the ISO.**
