INNER WHEEL PRAYER

Instil in us 'O' Lord, the true meaning of friendship
Never let us forget that we are all thy children
Not withstanding the difference in our Culture & Creeds
Endow us with a desire to serve our fellow men
Remembering that we, too, often need help,
Whenever or wherever the need for service arises
Help us to be ready to serve
Endeavouring to make our badge of Inner Wheel worthwhile
Ensuring that we have not
Lived in vain

Welcome Address and Opening Remarks:-

President Sashikala welcomed all the members at SHOBANA SELVANS residence and wished everyone a VERY HAPPY CHARTER DAY

A glimpse into the roots and foundation of IW. The Inner Wheel Story: Inner wheel is a story of women's movement, which began in the simplest possible way, through the help given by wives to husbands in their efforts towards the public good.

During the war years in England, the Rotary men were over burdened with service needs, so they asked their wives to help. Women joined together, formed a bond and found they enjoyed meeting other wives of Rotarians

On Jan 12th, 1924, Mrs. Margeret Golding, a nurse, a business woman and the wife of a Manchester Rotarian became the first President of an Inner Wheel club of Manchester, England. The idea of Inner Wheel spread quickly and many clubs were formed. They were grouped into districts, forming associations of Inner Wheel clubs.

One hundred thousand members make up Inner Wheel today in over 100 countries. Inner Wheel has become one of the largest and most prestigious women's organisations in the world. The objectives of Inner Wheel are:

To promote true friendship

To promote ideals of personal service

To foster international understanding

In brief, friendship and service
