2024/25 REGISTRATION

Registration is currently underway for our next school year.

We recognize that there are many options for preschools and TK programs in our community. We would love the opportunity to speak with you about the best fit for your child and why we feel TNS can meet their needs better than other programs.

Registration is \$75 and confirms your spot for fall 2024/25 school year.

Last Day of School! June 6th and 7th.

We will be having a water play day to celebrate the last day of school. Please send your child dressed in a swimsuit with sunscreen already applied (we cannot apply without a medical waiver.) We recommend sending a towel and change of clothes.

At 11:15 we will gather all the children together and encourage families to come down for our graduation celebration.

Moms or special grown ups, please join us May 9th and 10th at 11am for a Mother's Day Celebration with your child. It is really important that each child has a special adult in attendance to share the morning with.

Happy Father's Day

Dads, grandpas or special grownups, join us May 23rd and 24th for a light breakfast and building activity with your child. We will have supplies on hand, but feel free to bring a drill if you feel inclined. 9-10 a.m.

First & Main

We appreciate everyone that participated in our First and Main dinner fundraiser! Thank you to Breanne Perkins and Gabby Harvey for organizing the fundraiser and to all the TNS families who volunteered their time to make it a success!

A huge thank you to Chef Leroy Walker and his team at First and Main for volunteering their time and talents. As always everything was delicious, beautifully prepared and with generous portions!

Funds raised will go toward the continued improvements at TNS.
