### In the Classroom

We had a very busy December. A huge thank you to Andrea and Phil Rhienschild and Santa for hosting our Santa Celebration in their beautiful barn! The kids did amazing!. It was wonderful watching the students enjoy the morning with their families and friends. Another big thank you to all the families that made the event possible by volunteering their time and bringing holiday treats. It was a Hallmark movie moment ❤️ to cherish.

As we head into the new year, our themes will include Winter & Space! We will enjoy a fun pajama day with a pancake snack at the end of our Winter theme.!

**Don't forget a jacket  
and warm clothes for  
playing outside!**

## Reminder

1. Please keep your child and/or self home if exhibiting any cold/flu/Covid symptoms, including but not limited to fever, cough, runny nose, headache or generally not feeling well. **If your child needs medication to feel well enough for school, they should be kept home. We will call you to pick up your child if they seem off or have symptoms.**

### **STOP, SLOW DOWN AND WATCH... IS THERE ANYTHING YOU MISSED?**

As we enter the new year, I would like for you to think about your workday as a gift (insert laugh here)! During your day to day life you may find yourself juggling and multitasking events. You can find yourself reacting to situations instead of being engaged. I hope that when you find yourself here in class, you can have one on one time with your child and together share the classroom experience. One of my favorite things to do is watch and observe the creativity, the dramatic play and the conversations between the students. It is such a gift to watch them grow and develop a love for learning. You are showing them that they are important and that your relationship is valuable - *Teacher Jaime*

## December Fundraising Recap:

Thank you Teacher Ashley for coordinating the See's Candy Fundraiser. We made **\$593.05!**
