Please keep your child and/or self home if exhibiting any cold/flu/Covid symptoms, including but not limited to fever, cough, runny nose, headache or generally not feeling well. **If your child needs medication to feel well enough for school, they should be kept home. We will call you to pick up your child if they seem off or have symptoms.**

In the Classroom

We are so happy to have our students back in the classroom this month and everyone has been thoroughly enjoying Space Week. We have been exploring planets, stars and learning all about astronauts.

This month we will celebrate Lunar New Year, have a pajama day, exchange Valentine's at the class parties and round out the month with Rainforest week.

A big thank you to all of our families who participated in the Neto's Drive Thru Fundraiser and to the Fundraising Committee who helped dish up dinners. We brought in \$3,140 for the school.

Each year our school needs a board made up of parent volunteers to help run and make decisions for TNS. The nomination and volunteer process will begin in March and we would love to have your help if your child will be here for the 2022/23 school year. Please reach out to a board member for more info.
