Summary of Last Board Meeting

Summary of Board Meeting from Wednesday, January 27:

The new and improved website is live and continues to be updated: turlocknurseryschool.com

Members of the board are working on donations for a truckload of play sand and pea gravel for the backyard and driveway - work party will be arranged/scheduled in order to spread it out and clean up the backyard soon.

Discussion took place about pros and cons of mixing age groups for the remainder of this school year. The board voted to allow families to enroll their children in either cohort - MWF or TuTh, in order to accommodate as many families as possible, due to our great need to bring in revenue for the school. This vote only applied to the remaining months of the 2020-21 school year.

The board voted to schedule interviews for Director candidates and went over each interview question, editing for clarity and necessity.

Future fundraiser plans were worked on and tasks assigned to follow up on different events for different board members.

Upcoming Fundraiser Information
