In the Classroom

We had a very busy December. A huge thank you to Andrea and Phil Rhienschild for hosting our Winter Performance in their beautiful barn! The kids did amazing! It was wonderful watching the students enjoy the morning with their families and friends. Another big thank you to all the families that made the event possible by volunteering their time and bringing holiday treats. It was a Hallmark movie moment ❤️ to cherish.

As we head into the new year, our themes will include Winter & Space! We have a field trip to CSUS with our MWF class to see a play. And will enjoy a fun pajama day with a pancake snack!

Reminder

1. Please keep your child and/or self home if exhibiting any cold/flu/Covid symptoms, including but not limited to fever, cough, runny nose, headache or generally not feeling well. **If your child needs medication to feel well enough for school, they should be kept home. We will call you to pick up your child if they seem off or have symptoms.**

Thank You! Ryan Castro for taking the time to prep and paint the beautiful quote and butterfly on our shed!

STOP, SLOW DOWN AND WATCH... IS THERE ANYTHING YOU MISSED?

As we enter the new year, I would like for you to think about your workday as a gift (insert laugh here)! During your day to day life you may find yourself juggling and multitasking events. You can find yourself reacting to situations instead of being engaged. I hope that when you find yourself here in class, you can have one on one time with your child and together share the classroom experience. One of my favorite things to do is watch and observe the creativity, the dramatic play and the conversations between the students. It is such a gift to watch them grow and develop a love for learning. You are showing them that they are important and that your relationship is valuable - *Teacher Jaime*

December Fundraising Recap:

Thank you Teacher Ashley for coordinating the See's Candy Fundraiser. We made **\$1,350.05!** **Part of the money will go toward a new floor steamer vacuum combo.**

Thank you to our teachers (Mostly Teacher Andrea!) for organizing The Santa Celebration Raffle. We profited **\$1,117.00** to go toward supporting our teachers' continuing education. Teacher Ashley will be attending the 2024 CCPPNS Conference in March.

Don't forget a jacket and warm weather clothes for playing outside
