The 5 Most Important Readiness Skills For The Young Child Are:

1. **A healthy self-esteem** (the most important element in the development of a human being)
2. **Self-awareness** (understanding oneself)

3. **Flexibility** (the ability to think on one's own and think of new and different ways)
4. **Cognition** (basic language, science, etc.)
5. **Expression** (verbally, physically and creatively)

These are readiness skills a child acquires in a "Quality" Nursery School.

Pam Kramer-Smith TNS Director 1985

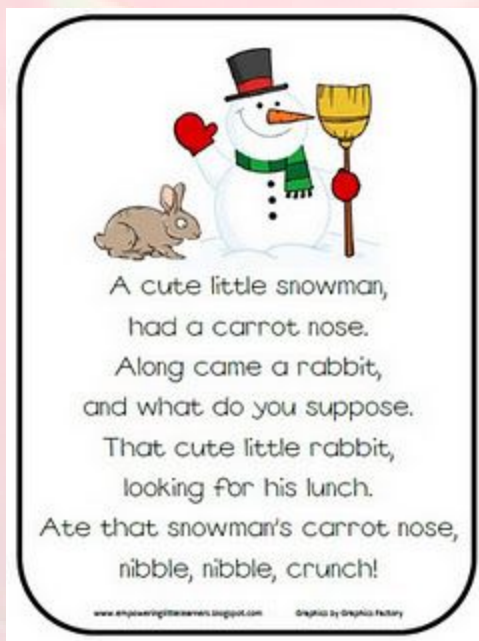

Santa Celebration

Over the next several weeks we will be practicing songs and poems for the Santa Celebration. If you would like to practice at home these are the songs we will be using.

▶ Twinkle twinkle little star (instrumental ...)

▶ Rudolph The Red Nosed Reindeer Lyrics

▶ Frank Sinatra - Jingle Bells

Thank You! Thank you to Agape and Garrett Curiel & Kristi and Andrew Lundquist for washing our building and attending to needs around our property. It takes a village to maintain our little school!

Reminders:

- Please be punctual on your participation day. State law requires we have the proper adult/student ratio. Our school can be closed down if we do not meet those requirements. Please arrive at 8:45 am, participate fully and stay until the end of clean-up, approximately 12:15 pm. Parents who arrive late to work days (after 9 am) will be given two warnings, then fined \$20 for every late arrival.

If you are unable to attend your scheduled work day please:

- Contact at least five other parents.
- Contact a family member or friend (**must have all volunteer paperwork on file**).
- Contact the Scheduler for help finding a sub.
- Contact the TPPNS director or teacher to try and arrange a substitute at a \$60 cost to you. This charge will be added to your Brightwheel invoice.
