A Love for Learning!

Tell me and I forget. Teach me and I remember. Involve me and I learn. -Benjamin Franklin

Seeing a candid smile and excitement in a child's eyes is the perfect moment. We want our children to be interested and inquisitive in the world around them. My hope is that our little school can start a love for learning that will last a lifetime!

2021-2022 Registration

We have started our registration process for the next school year.

Contact Jodielee to find out more!

Mother's Day Tea Parties

Thursday and Friday
5/6 & 5/7 at
11:00 a.m.

This will be a special time for your child to share with you.

Please make arrangements to attend or have a grandparent or replacement. More information will be passed out this week.

Neto's Dinner

Thank you to everyone that sold dinner tickets! We look forward to seeing you Friday 5/7 from 4-7 p.m.

Board Elections

This week, Teacher Jaime will be distributing ballots for the Board 2021-22 elections. Please vote for one candidate in each office. You are welcome to write-in candidates for any office as well. *We especially need write-ins for the offices of Secretary and Tuition Coordinator.* If you are a parent who will be returning in the fall, we would love you to volunteer for one of these positions and make our team complete! The ballots will be anonymous and you may write in your own name as a vote for any office. Please complete your ballot at pick-up or drop-off, or you may take it home to review and vote and return it no later than Thursday, May 6. Thank you!!

Thank you!

Matt & Breanne Perkins for donating many hours to our yard and picnic table refinishing.

Justin Chaplin, Nick Archambault, Steve Dail, Jessica & Jace Sloan, Ashley & Micheal Johnson, Michael Madruga, Emily & Luis Ruiz, Julianne Silva, Tiffany & RJ Singh and Chloe & Nathan Lusher for **literally** moving a mountain at our weekend work parties!

<https://pages.tinkergarten.com/guide/>

Tinkergarten is a fun resource for parents wanting to do some at home activities with their children.

APRIL FUN

We had a fun month! During our Community Helpers Weeks we learned how to use 911, stop drop and roll, and practiced our school fire drill! If you haven't had one at home, I encourage you to do so with your family. Pick a meeting spot for outside your home for any emergency evacuation. It could be as simple as a front yard tree.

I also wanted to thank Officer Steve & Turlock Rural Fire Department for stopping by our school! As well as a visit from SWAT team member Jace Sloan.

WELCOME

Please welcome our new teacher Ashley Castro. Ashley will be working in our Tuesday/Thursday class for May and June. Ashley is a TNS Alumnus and has several years experience working with young children. Ashley is excited to be a part of TNS again and share her love for learning!

YEARBOOK

Our school yearbook is now available for presale! While it's still under construction to feature pictures through our Space Week theme in May, the finished product will be a softcover book, **8x11, and 48 full color pages** full of awesomeness featuring all of our favorite kiddos! After haggling with the company, they've granted us a discounted price of **\$40.35 per book**.

Money will be due June 4th. For clarification, *this is not a fundraiser*, just an at-cost opportunity for us to enjoy the memories our little ones have made over the last few months.
