

ADD-ON Babysitter Pass Guidelines

- \$50 ADD-ON Babysitter Fee purchased by a registered family covers alternate childcare givers such as babysitters, grandparents, etc. to who may accompany that family to the pool, either in the company of the parent(s) or in their place. ***IT IS NOT A REQUIREMENT***; FAMILIES MAY USE THE GUEST PASS SYSTEM TO GIVE ALTERNATE CAREGIVERS CLUB ACCESS.
- Alternate caregivers may access the Club **ONLY in the company of the registered family**. General access is prohibited.
- Any alternate caregiver who will use the pass **must be on record** with the club, **listed on the Membership Registration Form**.
- The one pass is transferrable within that household, meaning that the same pass will cover any alternate caregiver(s) registered with that family.
- However, only 1 alternate caregiver may access the pool at a time and a **Club-issued ID pass is required**.
- Alternate caregivers are expected to understand and comply with all Club policies.
- Families assume responsibility for the actions of the alternate caregiver(s).
