RE: URGENT REQUEST FOR REMOVAL OF FOOTNOTE 7 FROM TABLE 131-04D IN THE SAN DIEGO MUNICIPAL CODE ((§131.0443) AND FOR HALTING AND DENYING ALL PROJECTS THAT RELY ON IT

As a result of a vote taken at its special meeting of October 28, 2024, Chollas Valley Community Planning Group (CVCPG) urges you to act as swiftly as is consistent with a major local crisis to remove from the San Diego Municipal Code Footnote 7 of Table 131-04D (§131.0443, Chapter 13, Article 1, Division 4) **and immediately deny and halt all projects that rely on it.**

CVCPG is aware that all the addressees have received a copy of the letter sent to them by the Community Planners Committee (CPC) on this matter that is a thorough analysis, discussing

- the historical context
- the serious legal implications concerning Fair Housing, Due Process and Equal Protection, the CVCPG Community Plan. This includes identification of the affected areas as potential park locations given that the city's Parks Master Plan has a goal to acquire 100 acres of new parkland.
- the conflicts the Environmental Justice Element and Equity Policy of the City of San Diego conflict with the Chollas Valley Community Plan

The council and mayor have almost immeasurably greater resources than CVCPG while also having the authority to convene a special meeting or to take other actions to effect outcomes reconciling the second and third bullets of this letter. It is requested that you do so with the speed that justice requires.
