City of San Diego

**RE: REQUEST FOR WRITTEN POSITION ON REMOVAL OF FOOTNOTE 7 FROM
TABLE 131-04D IN THE SAN DIEGO MUNICIPAL CODE (§131.0443) AND FOR HALTING
AND DENYING ALL PROJECTS THAT RELY ON IT**

As a result of a vote taken at its special meeting of October 28, 2024, Chollas Valley Community Planning Group (CVCPG) requests your written position on the removal of Footnote 7 of Table 131-04D (§131.0443, Chapter 13, Article 1, Division 4) from the San Diego Municipal Code as swiftly as is consistent with a major local crisis **and to immediately deny and halt all projects that rely on it.**

CVCPG is aware that you have received a copy of the letter sent on September 30, 2024, by the Community Planners Committee (CPC) on this matter that is a thorough analysis, discussing

- the historical context
- the serious legal implications concerning Fair Housing, Due Process and Equal Protection, the CVCPG Community Plan. In the 2015 Community plan, we had identified these two affected areas as potential park locations given that the city's Parks Master Plan has a goal to acquire 100 acres of new parkland in San Diego
- the conflicts the Environmental Justice Element and Equity Policy of the City of San Diego conflict with the Chollas Valley Community Plan

As the councilmember representing the residents of the Chollas Valley Community Plan Area, your written position on the action exhorted by both the CPC and CVCPG on this matter is requested no later than November 8, 2024.
