Club's Aspirations

C.S.T. Inc caters for all vehicles manufactured by the Standard Motor Company of England (later Leyland STI) from 1903 onwards. Every effort will be made to help members with information to assist with maintenance or parts and technical information. Our aim is to achieve this through friendly and informal gatherings. Meetings held at 8:00pm on the fourth Thursday of every month (except December) at the Bells Hotel & Brewery, 2nd Floor, 157 Moray St. South Melbourne

Everybody is welcome.

C.S.T. appreciates the support of its advertisers in this magazine. Please note that acceptance of an advertisement for publication does not necessarily imply endorsement by the club generally. C.S.T. is a participating member of the Federation of Veteran, Vintage and Classic Vehicle Clubs (FVCC). Articles for the magazine should be ready typed if possible and reach the Editor before the end of each month. The club's financial year runs from the 1st of July till the 30th of June. Renewals can be direct debited to the Club's bank. BSB.633-000 A/C 129212296 and Include your name or m/ship number.

Presidents Prattle

Hello again. The A.G.M has been and gone for another year and what a great day it was. Seems the members have been happy with what has been happening as all positions never changed.(see page 2) A warm welcome to these new members.

Neil Campbell from Croydon Vic who has a 1974 Triumph Stag.

Graham McLennan of Yarrambat Vic who has a 1927 Standard.

Rachel Hogg from Craigeburn Vic who has a 1954 Standard 10.

Richard Breitkruez from Nth Balwyn Vic who has a 1958 Vanguard Panel van.

Our website is still not up and running yet but we are working on it with some Geeks to try and fix it. Failing this we will have to start a new one but we won't be able to have the same name. This will mean new stationary across the board and the costs involved.

Barry Wood has just purchased a 6 cyl. Vanguard sedan that was advertised in the last newsletter.
(CONGRATULATIONS BARRY!)

Craig Fawcett is wandering around the U.K. And has been to some car shows and met up with Standard owners.

Laurence Xerri has been working on his phase one Ute which is looking really good!

That's all for now,
See you next month!

Neil Fox

Secretary's Section

The AGM has come and gone and not a lot of changes from last year. Thanks again for your trust in me in doing this job. Looking forward to another good year promoting Club Standard and Triumph. Recently I visited the Queensland Motorsport Museum to check out their newly acquired standard 10 and had a good look over the car and around the museum. The owner Ian Bone gave me a free run of the museum. Hope to have Ian at our next meeting on the 27th of the September.

FEDERATION PICNIC & CAR SHOW. 26 August 2018

First of all, congratulations to the Federation for their fantastic organisation of this show.

This should be the show you attend if you can only attend one show a year.

Second congratulations should go to Jarrod Wilby for his effort in being the focal point in our club for this show.

Thirdly all who attended should be congratulated for your efforts in getting to the show.

This show is all about the cars and the clubs, the Federation allows free entry for all affiliated club cars and what a show up, around 400 cars.

Just about all of the cars are unmodified or only slightly modified; even the GT Falcons / Monaro's were basically how they were manufactured.

Great to see.

Hilary & I left home around 7.30 am and met with Daniel & Alison, we both took our "other" cars (really not standards).

Had a great run to Marong, about ½ hour after we arrived the Standards & Triumphs arrived?

As usual there was lots of interest in our vehicles with most people having a family connection or a personal connection.

Mum/Dad/Granddad or Grandma had one just like this or I learnt to drive in one just like that.

It is fantastic that the Vanguards in particular bring so many happy memories back to people, perhaps that is the reason that we love them too.

Many thanks to all that attended and look forward to lots more cars next year. Des Smith.
