

BUYER BE AWARE!

NOTICE: In North Carolina it is a state and federal offense (Surreptitious Audio Interception) to record any conversation in any manner unless one of the parties to the conversation is aware of its content being recorded and has given their permission to do so.

We can sell you an audio recording device for the purpose of legitimately recording your thoughts and any telephone or personal conversations you are involved in. Do not ask us for information or otherwise indicate to us you are contemplating the commission of an illegal act. We may be called as witnesses. We value our business and freedom too much to help anyone for any reason to commit an illegal act.

You are personally liable for the lawful use of any product purchased here. If you have questions about the legal use of the product consult a qualified attorney and follow their advice. We offer no legal advice and assume no liability for your actions!
