My name is Emily Richards. I am a 15 year old from Culpeper County, Virginia. I am a Rodeo athlete. I am looking for sponsors for my 2025 Rodeo Season. I currently am a member of Virginia Cowboy Association (VCA), International Barrel Racing Association (IBRA) and National Barrel Horse Association (NBHA). My overall goal this year is to qualify and make it to Vegas Tuffest Jr. World Championship 2025!

We are looking for individuals, businesses and organizations that we can partner with and advertise for. We want to work with you and for you!

About me:

I am a Sophomore in high school and dual-enrolled in Germanna College, taking courses to become a veterinary assistant. I intend to major in Equine Science and Veterinary Medicine. I am currently looking at universities with strong rodeo teams.

I was born with Tetralogy of Fallot, a complex type of congenital heart defect (CHD) that is present at birth. I had 2 heart procedures before I turned 6 months old. I have had 2 additional procedures with my last one taking place last rodeo season. Not only do I want to show those with a CHD diagnosis that the only boundaries that you have are the ones YOU put in place, but I also want to continue to advocate and raise awareness for those less fortunate to have access to the care I have had throughout this journey.

My 4-legged teammates:

ENB Flo Jo is a 14 year old mare from Sabrina Devers in Perryton, TX. She was in a bad situation and has some issues we are working through with our trainer friends.

Wild Blue Twilight a 9 year old mare from our very good friend in Texas. She is just learning how to run barrels and absolutely loves poles. She also loves her apple flavored cookies and is an absolute sweetheart.

Twisted Dry is a 22 year old gelding who does not act his age. He absolutely loves the barrels and he is a current loan from Bezalel Farms here in Virginia! He even smiles on command for his cookies!

Winnings:

2024 VCA Youth 3D Champion

2024 IBRA Youth and Open Qualifier

Every contribution is greatly appreciated. Your contributions help with veterinary care, Insurance to cover the unexpected, feed, travel expenses, entry fees, and so much more!

We are looking to partner with our favorite brands, businesses and organizations both locally and throughout the US. We even have a few potential International Sponsors!

Sponsoring me not only helps me reach my goals but I will be an active supporter of your company. Representing you, recommending you, and being an advocate for you and your company.

If you or your business are interested in supporting my season and/or my career, I'd love to discuss sponsorship opportunities tailored to your brand's needs.
