THE KENNEDY REEVES
MYSTERY SERIES

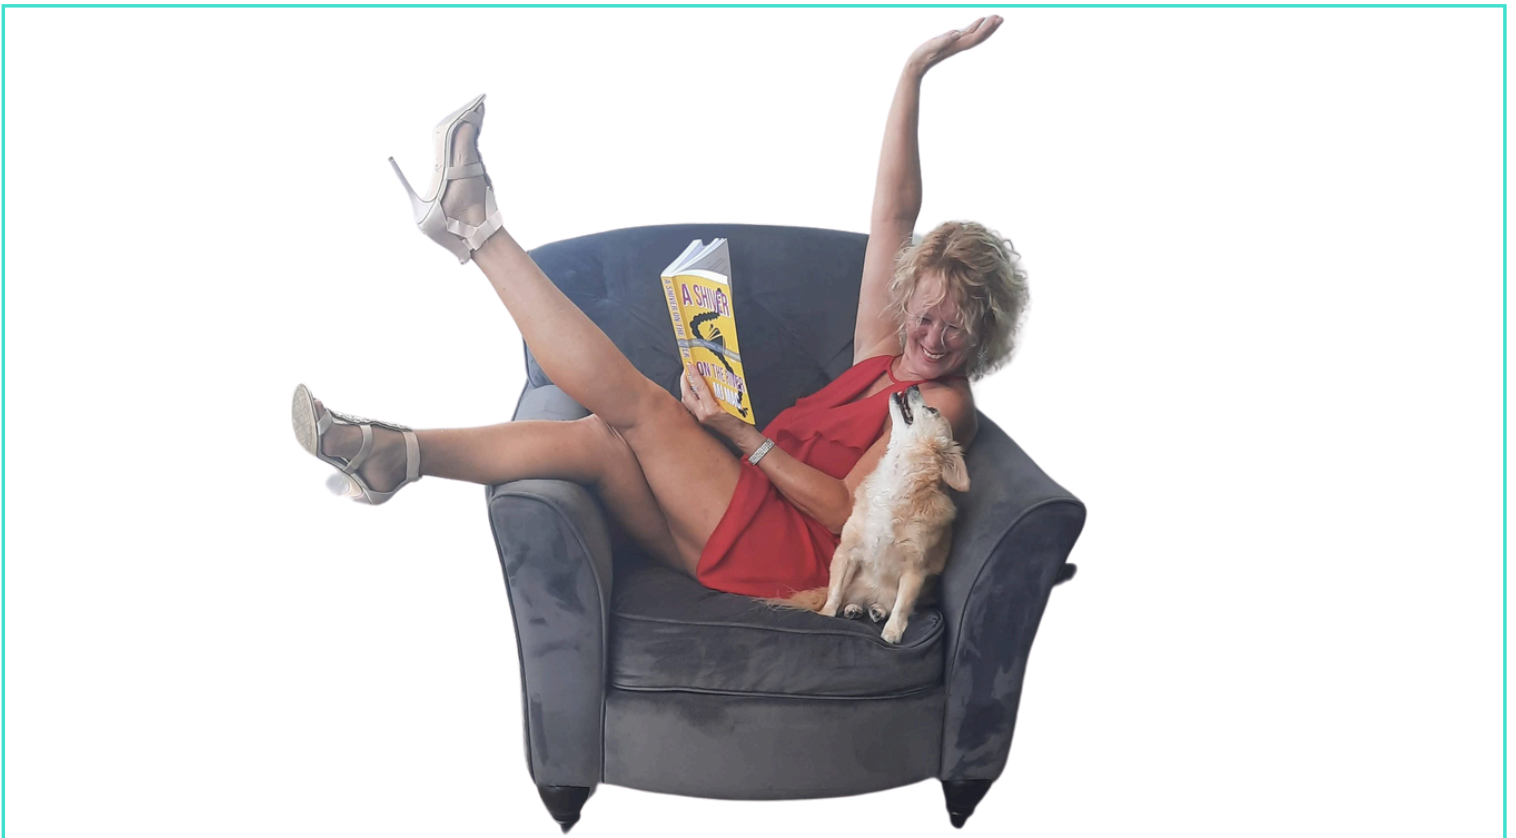

MEDIA KIT

Hi, I'm MJ!

MYSTERY WRITER, DOG MOM, & WRITING COACH

Hi, I'm MJ Mac, author of five twisty whodunits that have captivated over 60,000 readers. With a style that blends *Murder She Wrote* with *The Love Boat*, my books are full of eccentric characters, satisfying "ah-ha" moments, and cliffhangers that keep readers hooked. My Kennedy Reeves Cozy Cocktail Cruise Mystery Series has earned over 400 4-star reviews from fans who can't get enough of the high-seas drama.

Before diving into writing, I spent forty years as a "Jill of all trades" in corporate America. A master juggler in three-inch heels and lipstick, I pulled the ropes behind the curtain to make magic happen. In 2021, a story about a cruise director, her coworkers, and their zany passengers began to formulate in my head, and I promptly traded meetings (and meetings about meetings) for sand and flip-flops. Now, I'm navigating plot twists instead of boardroom debates—and loving every minute of it.
