Current Physician Letter & Immunization Form

This is required to participate in programming. We are required by local and state laws to review and ensure all forms meet required dates and immunizations. Make sure you have a **recent digital copy** of your child's letter. If the letter you submitted is dated prior to March 1, 2025, you **MUST** re-submit a new more recent form no later than May 1, 2026. To resubmit go to you child's profile page, scroll to the bottom and you can upload a new form.

3

Emergency & Authorized Pick-Up Contacts

New families will be required to add emergency contacts along with authorized pick-up contacts. Existing families should review these for each child to ensure they are up to date. These can be updated and changed online by family at any time as needed.

4

Medical Form

Each parent will be prompted to complete a simple 5 question medical form that will assist our Education team. You can do this ahead by going to the "Form" menu once you are logged into your account. This form is required and if you submitted one more than 6 months ago you will be prompted to complete again. **If your child has an allergy** that requires EPI-Pen or inhaler, you will complete an additional permission to administer form by May 1, 2026 and no later than 5 days prior to your child's session.
