

As a respected business in the community, we hope you will consider participating in and supporting this exciting, now annual, community celebration at Holly Hill Farm in Cohasset! *(Your in-kind contribution may be tax deductible too!)*

Why participate?

- **You can showcase your company to our community of locally-minded supporters and event attendees!**
- **You'll get over 250 attendees from towns and cities around the South Shore, sampling, enjoying, and talking about your food, beverages and offerings.** Building community goodwill and potential new customers!
- **We'll promote your business to our followers too! We have over 16,000 combined email and social media followers from almost every town on the South Shore, in addition to the Southeastern, MA and Boston (and further too!). Plus our website is visited by thousands every month too!**

Want to be part of the buzz - before, during, and after the event?

There are two ways to support us and to participate:

#1 Join us the day-of the event as one of our Exclusive Participating Restaurants!

Come, set up a tent or table with your staff, provide "food theater" for guests, engage with attendees and sample your selected dish(es) during our three-hour event. What better way to get people excited and talking about your establishment! You can even arrange for farm-fresh organic produce from the farm if you'd like to too! (Event audience size expected = 250-275. Restaurant spots available = 4)

Receive these great benefits:

- 4 tickets to Farm Fest
- Your company logo on our website
- Listed on Event Program Guide/Onsite Signage
- Highlighted in social media acknowledgements
- Recognition onsite: signage + from the podium

#2 Don't have the staff or ability to join us for the event? Make a dish that we can offer our guests instead!

Showcase your establishment by providing a sample dish for our 250 event guest attendees to enjoy and we will sample it for you. You may even be able to arrange for farm-fresh organic produce from the farm if you'd like to too! Recommended foods include easy to serve individually portioned foods. You'll enjoy sponsor-level benefits including: Your company name listed on our website event page, event program guide and food sampling signage too.
