SCHOLARSHIP WINNERS ANNOUNCED

We're proud to announce the winners of this year's \$1,000 scholarships: Luke Kaiser of Versailles and Allison Knapke of Ft. Recovery! Luke is pursuing a degree in Wildlife Resource Management at Hocking College, where he hopes to turn his passion for the outdoors into a meaningful career in conservation. Allison is studying Agricultural Business at The Ohio State University, preparing to make a lasting impact in the ag industry. Congratulations to both students on their achievements—we're excited to support their educational journeys and future contributions to their fields!

CALLING ALL BAKERS! COOKS! & JUDGES!

Get ready for Fall Round Up! Sign-up sheets are now posted for a variety of fun events—including our popular Dessert Contest on Saturday afternoon. Want to be a Dessert Contest judge? Add your name for a chance to be randomly selected. Are you known for your signature side dish, we'd love for you to share it with the crowd! Questions? Contact Chris Enderud. Sign-up sheets are available at the bar.

We're also still looking for volunteers to help things run smoothly and ensure everyone has a great time. If you're willing to lend a hand, check out the volunteer binder by the front door or reach out to Kevin and Anna Katterhenry. Let's make this year's Fall Round Up the best one yet!
