

# Give Thanks!

## SOUTH SHORE SPORTSMAN CLUB NEWS

NOVEMBER 2024

### Angel Tree & Holiday Drive Kick Off!!

Since 2021, South Shore Sportsman Club has had the opportunity to give back to our communities by participating in the Mercer County Angel Tree Program and holding our own Holiday Drive benefiting Our Home Family Resource Center.

The Mercer County Angel Tree Program works with churches, businesses, organizations and individuals in the area to provide gifts for children of income-eligible families in Mercer County. The goal is to gift each child with two toys and one outfit. Last year, Angel Tree brought smiles to the faces of almost 900 children in 370 Mercer County families, 50 of which came from our club.

Our Home Family Resource Center is a non-profit organization helping Mercer County individuals and families survive, rebuild and overcome. Survive domestic violence and sexual assault, rebuild parent-child relationships and overcome financial shortfalls and insecurity. Our Home has been serving Mercer County for over 25 years. Last year, our club donated 401 food items, 184 personal items and \$3892 in cash donations. Since 2021, we have donated a total of \$9931.

Tags for the Angel Tree will be put out for members beginning next week with the deadline for drop-off being December 8th. Donations for the Holiday Drive will be accepted up to December 15th.

We encourage all of our members to bring at least one non-perishable item to the next club meeting, the Club Christmas Party, or the Dive Bar Tour. Items can also be dropped off during club business hours. And to show just how close these programs are to our hearts; the club will match all cash donations up to \$1500 for the Holiday Drive.

**Let's all show some love this Holiday Season!**
