SSS Looked A Bit Like Louisiana

The patio was transformed into a southern culinary haven during the club's inaugural Low Country Boil event. Over 40 members and their guests gathered around steaming pots, cooking up a delectable mix of shrimp, sausage, corn, and potatoes. Master Chef Bill Roy was determined to douse everything in butter at his station! Homemade salads and traditional southern desserts by Holly Bertke and Chris Enderud rounded out the feast. As the lively tunes of the 3-piece band, The Rogues, filled the atmosphere, guests kicked back and enjoyed the warm evening. Janelle Braun surprised everyone with a performance on the stand-up bass, getting the crowd up and clapping along. The night concluded with smiles and full bellies, making it an unforgettable evening. A big thank you to everyone who contributed to making it a memorable night!

Congratulations to Our \$500 Scholarship Winners Allison Knapke & Brock Walley
