A big THANK YOU to the outgoing board members past Vice President Dee Osterfeld and outgoing trustee Nikki Moran for their time on the board. We appreciate the time and energy that you put in while you were a board member!!

- Thanks to everyone who participated in our SPRING CLEAN-UP DAY last month! The club was thoroughly cleaned and organized on the inside. Also, a huge thank you to everyone who volunteered to help with two recent projects of installing the boat dock AND putting in the patio....WOW!!! Things have been happening at the club and we have our very involved and talented members to thank for all of these huge projects coming together so well! We have a lot to be proud of and enjoy over the summer!!
