

SOUTH SHORE SPORTSMAN CLUB NEWS

JULY 2024

MEMBERSHIP RENEWAL
LETTERS WILL BE
MAILED THIS WEEK!
WATCH FOR IT IN YOUR
MAILBOX!

Babes, Bobbers and Blue Gill

The fish of Grand Lake were in for a surprise when the fabulous lady anglers of the SSS hit the channel for a morning of fishing at the first-ever Ladies Fishing Derby. Cindy Grapner stole the spotlight when she "caught a whale" while the gentlemen served up Mimosas in style. The day wrapped up at the club with lunch, laughs, and of course, more tall tales. Stay tuned for next summer's rematch for those who missed out on reeling in big ones!

RFID COMING SOON!

Prepare for the upcoming new RFID system, which replaces our current membership cards and door code system. Your new RFID membership card can be collected at Fall Round Up or sent by mail to those unable to attend. Once implemented, club access will require scanning your card at the door. Each card will be personalized for security measures, enabling the club to track and monitor visitors. Remember, being a SSS club member is a privilege; sharing your RFID card with non-members is strictly prohibited and may lead to disciplinary measures. We appreciate your patience and understanding as we navigate through this transition together.

Please be respectful
by cleaning up after
yourself. We all play
a part in keeping the
club looking good!
THANK YOU!
