NOVEMBER 2025

Holiday Giving: Join Us in Making a Difference

It's that wonderful time of year when our club has the chance to unite and give back to our community by participating in the Mercer County Angel Tree Program, as well as hosting our own Holiday Drive to support Our Home Family Resource Center.

The Mercer County Angel Tree Program collaborates with churches, businesses, organizations, and individuals in the area to provide gifts for children from income-eligible families in Mercer County. The aim is to ensure that each child receives two toys and one outfit. Last year, the Angel Tree program brought joy to over 900 children across 383 families, with 50 families supported by the South Shore Sportsman Club. Tags for the Angel Tree are now available at the club, with a **drop-off deadline of December 7th**.

Our Home Family Resource Center is a nonprofit organization dedicated to assisting individuals and families in Mercer County who have been victims of domestic violence and sexual assault. They work with families to rebuild parent-child relationships and address financial challenges. Cash donations, along with non-perishable food items and personal hygiene products, should be **brought to the club by December 14th**.

To make this initiative even more impactful, **the club will match all cash donations up to \$2,000!** This holiday season, let's join forces and make a meaningful difference in our community. Your generosity will brighten the lives of those who need it most.
