EVANGELISM

Dear Friends, Pastors, and Prayer Partners!

Fall 2026

“O magnify the LORD with me, and let us exalt his name together.” Psalm 34:3

What a full and unusual season the Lord has given our family! Through revivals, mission work, VBS meetings, conferences, and choir clinics, we have continued traveling with one desire...**to make much of Jesus through preaching and singing!**

This summer brought us back to the **Navajo Nation in Arizona** for our third year. We helped with VBS, building projects, bus ministry, and preaching the Gospel. Most of the children memorized Psalm 23, more than 30 rode the bus, and we rejoiced in souls being saved.

At **Southside Baptist Church in Denison**, eight boys and girls trusted Christ during VBS and revival meetings. The Lord continued opening doors throughout the summer and fall to preach, sing, strengthen music ministries, and serve churches across the country.

On **June 10, 2026**, my dad, **Roger Johnson**, one of GoPreachSing's biggest prayer supporters, **went to be with the Lord in his eternal home**. Dad believed in what God called our family to do and was a tremendous encouragement to this ministry. **We cut approximately one month of meetings from our schedule**, and I remained in Houston to help my mom and close out Dad's estate. We are thankful for the Lord's provision and that my **mom is now taken care of**. Thank you for the tremendous kindness shown to our family during those weeks.

Please also **pray for Rachel's mom, Diane Hickey, and her ongoing healthcare needs**. We may have to consider making a ministry change to help. This season has reminded us of the importance of the faith family, the faithfulness of God, and the kindness of His people.

At **Faith Baptist Church in Lubbock, Texas**, a **young lady** for whom the pastor had been praying **received Christ** after hearing the Gospel. **We then celebrated Victory Baptist's 39th anniversary** in Thomasville, Georgia. At Tifton First, **two children** who had experienced the tragic loss of family members earlier this year came at the invitation of their aunt and uncle. They **heard the Gospel and both received Christ!** We have also enjoyed opportunities to help churches through preaching, singing, and choir ministry as we traveled east.

Our **37-foot motorhome is our parsonage** on the road and one of our most important ministry tools. **Repairs** kept it out of service for part of the summer, requiring other lodging while we continued fulfilling ministry obligations. We have experienced additional repair needs since returning to the road. At the same time, **increased fuel costs** have made traveling thousands of miles to serve churches considerably more expensive.

If your church already supports GoPreachSing, would you prayerfully consider increasing your monthly support? If you pray for and follow our ministry but have never supported us financially, would you consider beginning monthly support? One practical way to partner with us is to **help purchase a tank of fuel each month**. Your giving helps us go farther, stay longer, accept meetings regardless of distance, and carry the Gospel wherever God opens the door.

Through loss, interrupted schedules, motorhome repairs, and thousands of miles, God has been faithful! **People are hearing the Gospel, souls are being saved, churches are being encouraged, and Jesus Christ is being magnified.**

Sincerely,

Andrew Johnson, Evangelist
