

Dear Friends, Pastors, and Prayer Partners!

Spring 2026

As we step into 2026, we are filled with gratitude and excitement for all that God has done—and all that He is yet to do. Looking back, this past year was overflowing with God's blessings: souls saved, lives changed, and countless wonderful meetings with God's people. If we had to summarize 2025 in one phrase, we would call it a year of **growth and progress!**

As we prayed about the direction of this new year, one word kept rising to the surface: **DISCERNMENT**. We believe there is a growing lack of Biblical discernment in our culture and even among God's people—something that can only be restored through faithful preaching of the Word, Bible study, and dependence on the Holy Spirit. What we believe always shapes how we live.

"Give therefore thy servant an understanding heart... that I may discern between good and bad..." I Kings 3:9

Because of your prayers and faithful support, this past year we were able to preach **150 Bible messages**, sing, direct, songlead, and teach in **27 different states** across **67 meetings**. Rachel and I also had the privilege of serving in **five marriage retreats**. By God's grace, we know of over **100 people trusting Christ as their Savior**, and many more made spiritual decisions. We traveled more than **37,000 miles**, and the Lord protected us every step of the way.

We have also seen God's goodness in our family:

- We added new instruments: an upgraded **Viola** and a Taylor **Guitar**.
- **Alayna and Hannah** received their Texas learner's permits and are taking dual enrollment college classes through PCC.
- **June** grew four inches taller
- **Mitchell** learned how to solve a Rubik's Cube
- And we added another **puppy—Oakley**, Toby's daughter—to our traveling team

As we look ahead to **2026**, our calendar is already full of opportunities to serve in **churches, colleges, choir clinics, camps, conferences, revivals, and mission trips**. We are eager to continue strengthening churches, training God's servants, and preaching the Word wherever the Lord opens the door.

We do have a few specific prayer requests we would like to share with you. First, we are praying to **pay off the remaining balance on our motorhome**, which is approximately **\$35,000**. This vehicle is not a luxury—it is our ministry home, our transportation, and a vital tool that allows us to reach souls and minister in churches all across the country. If the Lord would lead you, we would be grateful for your help in seeing this need met through a generous, tax-deductible gift.

Additionally, we ask you to pray for our family. This past year, **my dad, Roger**, and **Rachel's mom, Diane**, have both faced **severe health declines**. Please pray for their upcoming medical procedures, wisdom for the doctors involved, smooth recoveries, and for God's direction and wisdom as we help care for them in the days ahead.

Our hearts remain the same: To glorify God in our home, serve churches, train God's servants, preach the Word, experience revival in our time, and see strong churches led by God-called, well-qualified leadership. **Thank you for praying for us, standing with us, and partnering in the Gospel. We truly could not do this without you!**

Sincerely,

Andrew Johnson, Evangelist
