

COVID-19 Screening Checklist

All individuals entering our space will be required to complete this screening.

Have you and your child(ren) washed your hands or used an alcohol-based hand sanitizer?

- Yes
- No

If no, please wash or sanitize hands prior to entering our space.

Do you or your child(ren) currently have any of the following symptoms?

- Fever (>100.4 degrees Fahrenheit)
- Sore Throat
- Cough
- Shortness of Breath
- Diarrhea
- Nausea
- Loss of taste and/or smell

If you and/or your child(ren) answered yes to any of the above questions, we kindly ask that you do not enter our space and reschedule once you have been symptom free for at least 10 days. We also recommend you get tested for COVID-19.

Have you or someone you have been in contact with tested positive for COVID-19 recently?

- Yes
- No

If yes, please do not enter our building and reschedule your appointment until it has been at least 14 days from your time of known exposure or at least 10 days since your symptom onset.
