Re: Sponsorship Request

The Riverside Polytechnic High School *Proud Heritage Marching Band and Color Guard* Boosters are seeking Sponsorships to help fund our “Support Our Music” campaign. These Sponsorships will help to provide the necessary funding so that we can continue providing a high-quality music and performance experience to the Poly High School students. Participating businesses will be prominently featured in our newsletters, on our website, in our concert programs, on our social media, and at our fundraising events. All Sponsorship contributions will fund the Riverside Poly High School marching band, concert ensembles, color guard, and percussion programs.

Our ability to raise funds and hold fundraisers was severely impacted during the Pandemic. Since then, the Boosters organization has been diligently working to support our year-round music programs through fundraising activities, sponsorships, grants and donations. Your generous Sponsorship contribution helps to keep our band programs going for the 100+ “Proud Heritage” Marching Band students, as well as the entire Poly High School student body who take great pride in the school’s band. The Band can be seen performing at pep rallies, football games, parades, concerts, competitions, and community events.

All funds raised will be used to purchase greatly needed items such as:

- ❖ Music, field show design, and field show props/visuals
- ❖ New instruments and repairs for old instruments
- ❖ Tournament entry fees
- ❖ Color Guard uniforms and marching band/concert band uniform cleaning and repair
- ❖ Leadership trainings and team-building workshops
- ❖ Transportation/gasoline/vehicle and trailer repair

The Riverside Poly Band and Color Guard Boosters Corporation is a 501c(3) non-profit organization dedicated to supporting the band, color guard, and music programs at Riverside Poly High School. Our Federal Tax ID number is 33-0052153. Please make your donation payable to *Poly Band Boosters Corp.*

Thank you, in advance, for your generous Sponsorship in support of our music programs. It is greatly appreciated!

Sincerely,

Arwen Hernandez
Band Director, Riverside Polytechnic High School
