RE: Sponsorship Request,

The Riverside Polytechnic High School “Proud Heritage” Marching Band and Color Guard Boosters seek sponsorships for the academic year 2025/2026. These sponsorships ensure that Poly High School students receive high-quality music and performance experiences throughout the year.

For more than 100 years the Riverside community has invested in the students of the “Proud Heritage” Marching Band, providing outstanding opportunities for growth, development, scholarship and service.

The Band and Color Guard can be seen performing at pep rallies, football games, parades, concerts, field show competitions, and community events. The schedule of events is available at www.riversidepolyband.com. We encourage supporters to attend tournaments and performances as a public support for quality music in Riverside – or to check out YouTube channel (@riversidepolybandandcolorguard) to watch performances!

The Poly Band Boosters support the outstanding music programs year-round through fundraising activities, sponsorships, grants and donations. Businesses and community members sustain the program and are prominently featured on banners on the Poly campus, on equipment trailers, in newsletters, on the website, in concert programs, on social media, and at fundraising events. We are grateful for the investment of the entire Riverside community!

Thank you for being generous and considering this opportunity to invest in students, music and the arts in Riverside!

Sincerely,

Arwen Hernandez
Band Director
Riverside Polytechnic High School

Alan Claassen Thrush
Parent Volunteer
Riverside Polytechnic High School Band Boosters
