

AGA
Gesellschaft für Arthroskopie
und Gelenkchirurgie

Announcement of
AGA/SFO Travelling Fellowship

7 days

visitation of female specialists in the field of arthroscopy
Free participation AGA-STArt course (SimulatorTrainingArthroscopie)
Kurs 15.-16.09.2026, Innsbruck

Reimbursement amount max. CHF 1,000

As a kick-off to your arthroscopic career, the AGA and the SFO offer a unique opportunity to acquire arthroscopic knowledge, to interact with local experts in the field and to expand your network not only in Switzerland but also in the D-A-CH region by organizing this Travelling Fellowship in Switzerland and Europe. Participation in the AGA Pre-Congress STArt Course Kurs 15.-16.09.2025, Innsbruck (Training with an Arthroscopy Simulator, 1:1 Teaching), rounds off this unique experience.

The Fellowship trip must be organised by the Fellow herself. Expenses will be reimbursed on presentation of receipts for flight: economy class, train: 2nd class, taxi transfer, own car: 0.30/km and hotel room up to a maximum of CHF 1,000.

By applying, Fellows agree to write a report for publication in the journal Arthroscopie & Gelenkchirurgie, which will also be published on the SFO website. Fellows must take out international health insurance at their own expense. No further liability claims can be made against the AGA and the SFO.

Criteria:

- **AGA and SFO member**
- **finished their first 2 years of residency**
- **currently working at an official, accredited training facility for Orthopaedic Surgery ('Weiterbildungsstätte / Centre de formation').**

Please send a letter of application with objectives and expectations as well as your documents (curriculum vitae with passport photograph, medical career, op catalogue) by e-mail to

mail@swissfemaleorthopaedics.ch

Application deadline 01.04.2026

Candidates are selected by a committee of the SFO through a peer review process.
