Mission Statement:

It is the mission of For Life Medical Education Services, Incorporated and its founders and personnel to provide training and instruction in emergency response to all nature of First Responders, in both a courteous, honorable and professional manner.

Vision Statement:

Through ***Integrity***, our leaders and instructors foster the trust of those we education; Through ***Teamwork***, we build a network of tenured professional educators to train the next generation of reliable First Responders; Through ***Innovation***, we utilize and integrate the newest and most advanced tools and techniques available into our educational offerings; and Through ***Servant Leadership***, we teach our clients, students and team to go forth and serve the community, leading through serving others. Helping all we come into contact with to “take our lessons to heart...”

Core Values:

Safety – Creating a safety culture through education and in practice;

Respect – Honoring others in word and deed;

Teamwork – Fostering an environment where unity and cooperative effort are the attitude;

Responsibility and Accountability – It is okay to make mistakes; own up, but take action, make amends and move forward in an effort to become more professionally, personally and fiscally responsible... every endeavour, failed or successful, is an opportunity for growth;

Professionalism – Modeling the actions of Christ in all we do, serving and preparing to serve, at all times. This is the most professional act of all;

Empathy – Knowing that no matter the situation, we are never above it. Taking care of others and spreading love in both word and action;

Diversity – Great minds think alike, greater minds think differently... but the greatest minds work with those who think differently to achieve common goals;

Commitment – Buy-in to the vision of the organization, working to achieve a common goal and constantly, consistently evolving and growing as a team; through continued education, serving one another and love... and the greatest of these is love.

4. An applicant that becomes pregnant at any time during the course will not be able to complete this course but is eligible for the next course, due to the dangers, risks and regulations concerning expectant mothers completing clinicals and National Registry practical exams and other physical demands that may be asked of an EMT.

EMT Course –

This course will provide emergency medical training and will prepare the students to function as an EMT outside the classroom, whether in-facility (i.e., hospital, physician's office) or in the field (Fire/ EMS or combination thereof). This course is designed to prepare the student, who maintains a passing grade in each section, to meet the requirements, while acquiring the knowledge skills and attributes to successfully finish the National Registry of Emergency Medical Technicians and respective State requirements/ examinations, as applicable. This course is approximately 324 hours, consisting of cognitive, psychomotor and didactic training. It will require a significant investment by the student, but will ultimately be extremely rewarding.

Start Date: Oct 23rd, 2023

End Date: Feb 24th, 2024

Location: 8408 Arrow Street, Savannah, GA 31406

Class Dates: Online didactic and cognitive components every third day and psychomotor skills in class every Saturday and last 3 weeks of class.

Class Times: M - F (1800 - 2230) and Saturday (1000-1600), [every third Saturday] Cost: \$2150.00 (if installments are chosen; \$650 down/ 4 payments of \$375.

Cost includes: All instructional materials, instructor fees, books, expendable teacher supplies, equipment rental, medical teaching aids, AHA BLS Provider CPR fee and card, class certificate, two (2) clinical polo or teeshirts, use of the school facilities and equipment at no additional cost.

Cost does not include: National Registry Written exam fees, travel expenses to exams, malpractice insurance, personal medical equipment, clinical uniforms, kits, tools, notebooks, writing paper, pens or pencils. Cost for inoculations or physical exams is also at the cost of the student.

Tuition –

A \$650.00 deposit is required 15 days prior to class beginning to secure course materials for each student. The remainder can be paid on the inception date of class or, upon signing of a

payment agreement, can be paid in three separate installments over the course of the class, with \$375 payments due on the 13th of each month, with payment due in full the day before the NREMT Skills exam. Be advised, in order to utilize this method of payment, a credit or debit card must be kept on file to be charged. ***Regardless of whether the class is completed, the balance will be due.***

Cancellation and Refund Policy

Should student enrollment be canceled at any time, for any reason, all refunds will be issued as follows:

- Cancellation notification must be made in writing, by electronic mail, letter or by certified mail;
- All monies will be refunded if the school does not accept the applicant or if the student cancels within three days of making deposit or initial payment, but not less than four (4) days prior to class;
- Cancellation less than three (3) business days before class will result in a refund of all monies paid, minus the registration fee of \$325.00. This refund will be given upon return of any and all UNOPENED/UNUSED course materials (i.e., course manual/ access);
- Cancellation after attendance of the first day of class, will result in no refund being granted, and all funds being due for the entirety of the course. Only extenuating circumstances such as the death of a parent or biological child, or military Permanent Change of Station of the personnel, not a spouse.

When calculating the refund due to a student, written notification must be submitted with supporting documentation, where applicable. Refunds will be made within 30 calendar days of termination of the student’s enrollment or upon receipt of a Cancellation Notice and required documentation from the student.

I understand the above payment plan and the “refund policy” as outlined.
