

## Davidson County Board of Elections

### Restricted Polling Places – 2026 Primary Election

---

The non-public voting place locations listed below allow the use of their facilities on a voluntary basis. As part of our present agreement, some locations have requested that no literature be distributed and that no signs be placed on their property. Others have requested that no signs be allowed but will allow literature to be distributed. Pursuant to G.S. 163-166.4, a special agreement for electioneering restrictions at the polling places listed below has been approved upon by the Davidson County Board of Elections and the Executive Director of the State Board of Elections. The Board of Elections respectfully requests that all candidates honor this agreement in order that the continued use of these voting places is not jeopardized. Candidates should contact the Board of Elections prior to Election Day if there are any questions. All election officials have been instructed to enforce this arrangement at each voting place.

North Carolina Session Law (S.L. 2019-119) states that candidates shall be allowed to place campaign signs at the polling place 36 hours before the opening of polls and must retrieve all signage within 36 hours of the polls closing.
