PRICE LIST, JULY 2018

PASSIVE TRACKERS. Package-Priced, Includes Rail & Hardware			
Poles not included. All trackers require a customer-provided Sch-40 steel pole & concrete foundation.			
Part Number		Retail	Approx. Ship Weight
UTR-020	Includes 1 pneumatic motion damper. Adjustable truss spacing, accommodates modules from 19" to 32" mounting-hole spacing.	\$1,374	95 lbs.
UTRK-040	Includes 1 pneumatic motion damper. Horizontal rails with adjustable spacing, accommodates modules from 17" to 41.75" mounting-hole spacing.	\$1,863	145 lbs.
UTRF-072	Includes 4 pneumatic motion dampers, and 4 rails.	\$3,285	363 lbs.
UTRF-090	Includes 1 hydraulic motion damper, and 4 rails.	\$5,935	480 lbs.
UTRF-120	Includes 1 hydraulic motion damper, and 4 rails.	\$6,852	540 lbs.
UTRF-168	Includes 1 hydraulic motion damper, and 4 rails.	\$8,258	607 lbs.
Extra Rail Set	2 extra rails for a center-mounted modules. Includes offset brackets to raise center modules above the bearing plates, and all needed hardware.	\$429	
High Wind Kit (040)	Adds 1 extra pneumatic damper, for UTRK-040 only.	\$130	
High Wind Kit (168)	Adds 1 extra hydraulic damper, for UTRF-168 only. Improves the stability of the tracker in constant-wind situations. (Does not alter the 90 MPH max wind rating.)	\$749	

When ordering, please specify type and number of modules on PO, and include the module spec sheet if possible.

Model	Maximum Module Area	Pole Dia. (Nominal)	Maximum Array Width	Maximum Array Height
UTR-020	20 sq.ft.	2.5"	60"	(One row of modules, hole spacing 19" to 32".)
UTRK-040	40 sq.ft.	3"	115"	(one row of modules, hole spacing 17" to 41.75".)
UTRF-072	72 sq.ft.	6"	115" *	160"
UTRF-090	90 sq.ft.	6"	139" *	180"
UTRF-120	120 sq.ft.	6"	139" *	192"
UTRF-168	168 sq.ft.	8"	163" *	192"

* For 2 columns, allow for a 13" gap in the center to allow space for the bearing plates. For 3 columns, the center column will be elevated above the bearing plates by using offset brackets, included in the Extra Rail Set.

All trackers ship by truck freight from Albuquerque NM, typically NMFC-164390, Class 70. Shipping cost is added to final invoice. Customer-pickup at the factory is available, or customer may arrange for shipper of their choice to pick up at factory. 10% restock fee for returned merchandise. Revised 9-14-2018.

1011 Sawmill Rd. NW Albuquerque, New Mexico 87104
