President's Message

We missed all the members who were not able to attend our February meeting at Manuel's Tavern. Our board met recently, and we are working on some changes to help everyone get involved! For 2024 we are moving the bi-monthly meeting around metro Atlanta. As your President my desire is to see everyone become an active part of Chapter 22. It seems we typically have the same members at all our activities and the same members doing all the work. If there is something you would like to see from Chapter 22, please reach out to me directly via phone or email (irwach.22ga@gmail.com) and let's see what we can do.

I hope everyone is enjoying the changes we are working so hard to make.

- Chasity Durham

MAKE SURE YOU HAVE ADDED OUR NEW EMAIL ADDRESSES TO YOUR OUTLOOK CONTACTS IF YOU HAVEN'T ALREADY SO YOU DON'T MISS ANY OPPORTUNITY TO GET INVOLVED!

Chapter 22 Loves Its Members

Thank you to everyone who attended our February meeting! We received positive feedback on our new meeting location. We were able to offer variety while keeping the cost for the members down.

A special thank you to Kelly Biles, with Southern Company Gas for sharing more about Women's Energy Network. If you haven't looked into this amazing organization, please do so.

CHAPTER 22 CHANGES

Nominations & Elections Chair Available

This Chair Member is a part of the Executive Board. As part of the Executive Board, you will be a voting member. The role of this position is to oversee the yearly chapter election to make sure the election is within compliance of the current Chapter bylaws. Additionally, this role will provide nominations for consideration for yearly Chapter awards. With our 2024-2025 nominations just around the corner, we hope to fill this position quickly.

Utilities Chair Is Open

Are you on the utility side of the Right-of-way industry, then this open position could be for you! This position is in place to educate other Chapter Members on what's going on in the utility industry, including but not limited to, providing reports of current articles about projects which directly affect their industry locally or nationwide. Acts as the liaison between the Region and International Committee of their industry while providing updates during chapter meetings.
