Seatings

We have 2-hour seatings at 11am-1pm
and at 1.30-3.30pm

During brunch:

- You'll be served one full round of the menu before dessert.
- *After* the full round you'll be asked if you would like any repeats of the courses.
- Repeats will not be served before this, to allow the kitchen to serve all tables in a timely manner.
- Do be on time or you'll need to wait for the end of the first round to circle back to missed dishes - *but we will get you fed!*
- The menu may vary slightly each week depending on occasion and inspiration

For the kid in you!

- Kids eat first here!
- Yes, adults are welcome to the kids trolley.
- If your child would like to have the full Brunch Trolley menu instead of the Kid's Trolley, please do let us know.

Do note:

- Regular a la carte menu is not available during The Brunch Trolley service.
- The Brunch Trolley may be served on Public Holidays too; join our mailing list for updates at www.summerhill.sg!
