

OBYC NAVIGATOR

A PICYA ★ Club

Commodore's Corner...John Sims

Stephanie and I decided to publish a Holiday issue of the Navigator so we have an opportunity to wish all OBYC members a Merry Christmas, Happy Hanukkah and Happy Holidays! As topsyturvy as 2017 was for OBYC the club is grounded, locked and loaded for the 2018 cruising year.

I hope all of you can attend the Change of Watch on Saturday January 13, 2018. The Emcee for the evening is Dan Borges, I'm expecting plenty of jabs, insults and roasting of the Flag and Board of Directors.

Glenn Greene dubbed it the "SOW instead of "COW". SOW is acronym for "Same Old Watch" instead of "Change of Watch". Either way we've blessed all positions are filled as we enter a new year regardless of the farm animal its named after. Since it's the season of sharing and giving. I have a request for all members to give their time to attend OBYC events in 2018. Attendance is the lifeline of the club's health and the efforts of the leadership are

hindered if we do not participate. The cruise calendar still needs completion, but I'm pleased with the events confirmed. Send cruise ideas to me and step forward to lead a cruise. Wishing all of you a Merry Christmas, Happy Hanukkah and Happy Holidays!
