Subject – Letter of Recommendation

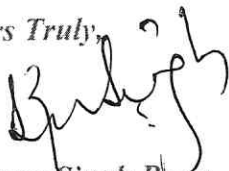

*I am writing to recommend the commendable services of SVM Trading. I have known Mr. Deepak Tandon since more than 10 years and have been working with him. SVM Trading has served us with the best quality of hardware supplies, signages, trolleys and elevation boards etc.*

*There came many difficulties while working for the elevation boards at our site, be it the weather, supplies, electricity etc but SVM Trading resolved all the difficulties and made the board on time and I truly appreciate their dedicated service.*

*The supplies service and on time delivery by SVM Trading has never let me down and I strongly recommend them for your business.*

*Feel free to contact me for more information.*

Yours Truly,
