Financial Policy

Thank you for choosing us as your dental health care provider. Dental treatment is an excellent investment in an individual's medical and psychological well-being. Financial considerations should not be an obstacle to obtaining this important health service. Being sensitive to the fact that different people have different needs in fulfilling their financial obligations, we are providing the following payment options.

Payment is expected at the time of service. We accept cash, approved checks, Visa, Mastercard, Discover and American Express.

We understand dental insurance and will gladly assist you in obtaining the maximum benefit as specified by your contract. It is important; however that you are aware of the following:

- Your dental benefit program is a contract between you, your employer, and the insurance company. We are NOT a party to that contract. In order to file and estimate your benefits, it is important that you provide us with the necessary information. (Claims address, telephone numbers, group/policy numbers, and benefit information). As a courtesy to you, we will file your primary insurance claims.
- Not all dental services are a covered benefit in all contracts.
- You (not the insurance company) are responsible for all our fees that have been incurred.
- If your insurance carrier does not pay a claim within 60 days from date of service, we will require that you pay the balance in full and have your insurance company pay you directly.
- For our patients with insurance, we will provide you with an ESTIMATE OF BENEFITS that the primary insurance company is expected to pay. Any co-payment and/or deductible is expected at the time treatment is rendered.
- If you have secondary insurance, you are responsible for filing claims and collecting any benefit.

If your account is in default and your account is turned over to a collection agency, you are responsible for the balance, any finance charges, as well as all collections and/or attorney fees.

I have read and understand the above information	n. I have the opportunity to obtain a copy of this final	ncial
policy for my records.
