Fundraising

- <https://secure.actblue.com/donate/mcdp2026precinctfundraising>
- QR Code attached below for print
- Our goal is to take advantage of this opportunity to keep our precinct fundraising local. All funds have to be submitted to the County Party due to campaign finance laws since each precinct does not file their own required reporting. Funds will be prioritized for precinct organizing activities and 2026 election support.
- Please remember that all cash (\$50 and under) and checks have to be entered on your precinct organizing form so that all money can be matched to an attendee. All cash and checks should be in one envelope turned into the office and the total should match precinct organizing forms turned in with them.

Data Request
