ANONYMOUS DONOR PLEDGES \$1.5 MILLION

An anonymous donor has generously pledged \$1.5 million toward the Cherry County Event Center project—provided we can match that amount through community support. This is an incredible blessing and a tremendous opportunity for our community. We would love to make this vision a reality, and we invite you to be a part of it. No gift is too small, and every contribution brings us one step closer to our goal.

TOGETHER, WE CAN MAKE THE CHERRY COUNTY EVENT CENTER A REALITY!
