Liability Waiver

Our farm is our livelihood and our animals depend on us to provide superior care and treatment. Their care includes protecting them from exposure to disease and illnesses brought to the farm from visitors, participants, and boarders that visit other horse facilities. We kindly ask you to refrain from visiting the Tri-B farm and our animals if you have been to another horse facility within the last 7 days. If you must visit Tri-B Farms without observing 7 days away from other facilities, we ask you to shower, wash your clothes, and disinfect any boots or equipment you may have taken with you to the non-Tri-B facility.

The use, handling, and riding of horses involve risks and may result in physical injury to any individual undertaking in such activities. Horses, irrespective of training and past behavior or characteristics may act or react unpredictably at times based upon instinct or fright which, likewise, is an inherent risk that is assumed by the rider (participant).

I acknowledge that Tri-B Farm Horse Ministries has a required biosecurity downtime guideline for visiting other horse facilities and that there are assumed risks to using, handling, and riding horses. I, the undersigned, agree to comply with the biosecurity requirement.

I, voluntarily agree to hold harmless this/these equine professional(s) from any liability whatsoever, including, but not limited to, any incident caused by or related to said equine professional's negligence, relating to injuries known, unknown, or otherwise not herein disclosed; including, but not limited to, injuries, death, or property damage.
