

The innovative UpPro series man-riding traction hoists provide safe and reliable access for installation and maintenance of elevators, building facades, roofs, and more.

UpPro - Powerful, Compact, Robust

Proven Design for Various Man-riding Applications

Easy, ergonomic operation with pendant controls and self-reeving traction

Complete model range with capacities from 600 to 2,000 kg, speeds from 9 to 18 m/min., and multiple power supply options

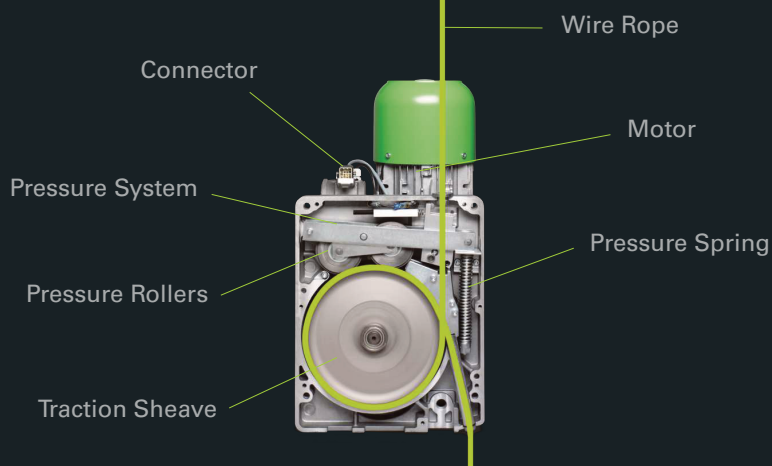

Proven, reliable performance in demanding environments and applications

Maximized safety with optional UpSafe Overspeed Safety Lock (OSL) and Inclination Safety Lock (ISL)

EN 1808 certified, and quality made in Germany in our ISO 9001:2008 factory

Customizable to meet your unique applications with optional upper limit switch, remote controls, and central control box

We design, manufacture, and distribute the highest quality hoists and suspended access systems in the market.

Service available world wide through our network of Power Climber dealers.

With a variety of capacities, voltages, and speeds in our UpPro series, there is a man-riding hoist for virtually every application.

UpPro Series Specifications

Model	Payload (kg)	Phase	Rope Ø (mm)	Rated Speed (m/min)	Voltage (V)	Motor	Weight (kg)
P508 CE9	600	3	8	9	400	50/60Hz	47
P508 CE9	600	1 or 3	8	9	230	50/60Hz	47
P508 CE9/18	600	3	8	9/18	400	50/60Hz	63
P809 CE9	800	3	9	9	400	50/60Hz	53
P809 CE9	800	1 or 3	9	9	230	50/60Hz	53
P809 CE18	800	3	9	18	400	50/60Hz	55
P809 CE9/18	800	3	9	9/18	400	50/60Hz	63
P1010 CE9	1000	3	10	9	400	50/60Hz	53
P1010 CE9	1000	1 or 3	10	9	230	50/60Hz	53
P1010 CE18	1000	3	10	18	400	50/60Hz	55
P1010 CE9/18	1000	3	10	9/18	400	50/60Hz	63

*UpSafe Overspeed Safety Lock (OSL) and Inclination Safety Lock (ISL) may be required depending on the application.

Power Climber

Power Climber has been engineering and manufacturing hoists, platforms, rigging equipment, safety gear, and accessories for the suspended access industry since 1972. With facilities in North America, Europe, and Asia, Power Climber distributes its products to leading rental dealers, facility owners, and contractors around the world, and backs them up with industry-leading training, customer service, and support.
