

Candyfloss  
creative agency

## *Who we are*

Candyfloss is a creative agency spinning ideas rolled into each other one by one and resulting in good creatives. We spend a lot of time designing and creating awesome campaigns, all the way from creating a concept to final delivery. We also handle other forms of promotions for various clients and start-ups of all sizes.

## *Why Choose Us*

We as a team are in-built with multiple skill sets in all areas of Print, Website, Social Media and Google Ads. Having a keen understanding in advertising and branding, we have a quick turn-around for all projects still keeping the creativity and message across intact in our work process. Candyfloss is also Google Adwords Search Ceritified .
