1. POLICY:

- a. It is the policy of the Snug Harbor Property Owners Association (SHPOA) Board of Governors to manage architectural issues in accordance with the requirements of references (a) through (d), the information found in references (e) and (f), the mandates of reference (g)m and the procedures described herein.

2. PROCEDURES:

- a. The SHPOA Board of Governors shall:
 - i. Elect a board member to chair the Architectural Control Committee.
 - ii. Resolve issues which the Architectural Control Committee cannot.
 - iii. Dispose of requests for variances from references (a) through (d).
 - iv. Establish standard fines and penalties for violations of SHPOA Covenants and Bylaws.
- b. The Architectural Control Committee Chairperson shall:
 - i. Appoint an Architectural Control Committee composed of at least three property owners in good standing per reference (c).
 - ii. Post the names and contact information of Architectural Control Committee members that will provide Building Applications to property owners.
 - iii. Report the status of all Architectural Control Building Applications projects the Board of Governors at each Regular Meeting.

Architectural Control Policy and Procedures

- iv. Assign a member of the Architectural Control Committee as liaison between the Architectural Control Committee and the applicant.
 - v. Inform the applicant of the approval or disapproval of their Application within thirty days of its submission to the Board of Governors.
 - vi. Determine causal factors of any failure to act on an application within fifteen days and make proposals to correct those factors to the Board of Governors.
- c. Architectural Control Committee Members shall:
- i. Validate Lot Ownership via reference (c).
 - ii. Validate applicant is a “member in good standing” in accordance with reference (c).
 - iii. Validate Lot Size via reference (c).
 - iv. Issue in sequential order Architectural Control Building Applications and log in to whom issued, the Section, Lot Number, and date.
 - v. Copy and file entries made Architectural entries made to Architectural Control Building Applications.
 - vi. Establish liaison between the Architectural Control Committee and assigned applicant.
 - vii. Meet with the applicants, if available, and other Architectural Control Committee members at the job site to determine if the application is in accordance with references (a) and (f).
 - viii. Confer with other Architectural Control Committee members and the Committee Chairperson to determine if the application is in accordance with reference (a) to meet the requirements.
 - ix. Recommend either approval or disapproval of each application to the Committee Chairperson.
 - x. Monitor the progress of open projects and report causes and proposed remedies to resolve the lack of any progress.
 - xi. File completed Architectural Control Building Applications.
- d. Applicants shall:
- i. Be a member in good standing.
 - ii. Submit the Architectural Control Building Applications with an accurate sketch on the Plot Plan.
 - iii. Maintain liaison with their Architectural Control Committee representative.
 - iv. Submit the Architectural Control Building Applications with a Progress Plan.
 - v. Submit a copy of County permit to the Architectural Control Committee.
 - vi. Inform their Architectural Control Committee member of any unforeseen delays and provide a copy of their plans to overcome the situation.
