March-April 1994

Board Highlights

February: The regular meeting was held Sat. February 12, 1994 at the Snug Harbor Clubhouse at 10:00 a.m..

A junk car ordinance has been implemented by Chowan County. Mr. Mizelle will determine if the item is on the agenda for Perquimans County and work with them to secure an ordinance in our county.

Mr. Cullings will have a permit renewed for repairs to the F-Section bulkhead and get bids for the work.

A need for recreational facilities for younger children was discussed. Mr. Mizelle is to get information on a facility in Virginia that was constructed with donated supplies and materials. More info will be forthcoming.

A discussion of activities related to the Park area was held. It is a priority of the Board to make better use of the Park area.

The Board received a sample of governmental documents for restrictive covenants. It was agreed these are good guidelines for the Association in considering covenant revisions.

March: Mr. Mizelle presented a preliminary draft of the revised covenants which were discussed. He will present another draft at the next meeting. Mr. Cullings gave a detailed report on maintenance items concerning Snug Harbor. Details are in a separate article under "Maintenance News". Mr. Cullings is obtaining bids for repair of C-Section boat ramp, F-Section bulkhead & ramp, and bulkheads in the Park.

It was decided to restore electricity to P-Section on April 1, 1994

The Treasurer, Mrs. Millirons, reported that assessments/dues, due March 31st, are being received and processed.

Junk Vehicles

If any of our neighbors in Snug Harbor wish to get rid of any unlicensed or junk vehicles, at no cost to you, please contact Emerson Cullings. Documentation will be needed such as proof of ownership in the form of a title, registration or release from owner of property. It certainly would be nice if we could get rid of some of the unused vehicles.

Clean-Up The good weather is just around the corner and many of us will be cleaning up our yards. The recent rains and high water have resulted in a great amount of trash and bottles being scattered alongside ditches. The Teens had just cleaned the S.H. Rd prior to rain. Let's all keep working together to keep our community clean and looking good.

Maintenance News

I have been requested by Snug Harbor Property Owners Assn. member, Frank Edmunds, to contribute a report for our newsletter concerning ongoing maintenance items in Snug Harbor. It is our view that communication is vital to our neighbors so they know what the Association is attempting to accomplish.

During the month of February, we have been busy attempting to drain, grade, and fill the numerous soft spots in our roadways that have been damaged by vehicular traffic. Most of the damage has not been caused by autos but by trucks and school buses. As of this date we feel that we have been able to get most of the trouble spots corrected. For some of our neighbors, roadway shoulders were damaged by tree trimming crews subcontracted to Albemarle Electric Cooperative. I have been assured by the Co-op that these damaged areas will be corrected. We need to be patient until the ground begins to dry.

Speaking of wet, how about the rain storms that filled ditches to overflowing and probably flooded some of your homes. I might add to this item that we all need to be cognizant of debris left in the ditches on our property and our neighbors property. Due to leaves, branches, and in some cases bottles and trash, the culverts and tile became plugged, thereby backing up water and preventing the outflow of drainage. It was good to see some neighbors out helping others so that ditches were cleared. Let's remember that if we keep it clean, then the task is not so great later on when leaves begin to fall.

Repairs have been done to the roof of the comfort station in "P" Section and by golly, it survived the deluge and stayed dry. Now we will get the ceiling repaired and painted.

Clean up is commencing in the park so it will be looking nice as spring arrives. We have sent out 4 grills for repair so that families will be able to utilize all of the grills for cooking. The picnic benches are virtually new so the park should be a great facility for family and group get-togethers.

That's the highlights for the month. Other items are slated for consideration as bids are received and funds become available. Neighbors, we are trying! If we had a bank full of money we could do wonders, but with limited funds available to us, we are being very careful how we spend your money. Remember to send in your annual dues! Every little bit helps.

Respectfully, your Board Member and neighbor.
Emerson Cullings, Evergreen drive

4 - H Clubs

4 - H Clubs are busy as usual -

Snug Bugs & Magellan's Crew Clubs all sold 4 - H cookies, competing with other clubs in Perquimans County, hoping to be the highest sellers! Cookies should arrive in the community in about three weeks.

Snug Bugs are completing a "Cooking and Kitchen Safety" project - these 5 to 8 yr. olds are already great at chocolate chip cookies, gingerbread houses and pizza!

Teens-in-Action recently sent 5 (Danny McGuinness, David Lake, LeeAnn Pauli, Danielle Talmadge and Amanda Grayson) of their teen officers to the state 4 - H Conference in Greensboro. Jodi Abbate, one of the club's former officers, represented Perquimans County as a guest at the conference as the North Carolina first place winner in the Governor's Young Citizen Award. The officers are prepared to take an active role in District retreat in Williamston in the near future. 8 members of the Teens-in-Action Club are attending this district event - Kevin Meekins, David Lake, Shawn Bland, Josh Seden, Danny McGuinness, LeeAnn Pauli, Danielle Talmadge and Amanda Grayson.

The teens held a Valentine's day dance, and with the able assistance of Alvin Mizelle and Larry Watkins, they held a basketball tournament to raise funds for their Club events. Another tournament will be held soon and teens will be contacting residents for financial support.

The next community event the teens will be sponsoring, with the support of the Civic League, will be the Easter Egg hunt for children ages 1 to 10 yrs.

Some of the teens are also teen tutors at the Community After School Program.

Magellan's Crew Club have been busy also selling 4 - H Cookies and planning many new events for their group.

Recently they held a Pizza & Video party which was well attended.

Some are also helping with the After School Program as special assistants.

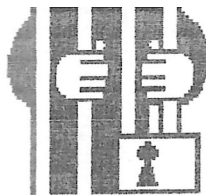

The new officers for Magellan's Crew are:

President-	Alan Mitchell
Vice-Pres.	Jennifer Beacham
Sec-Treas.	Becky Flood

Easter Egg Hunt and Game Event

Sponsored by Teens-in-Action and Civic League will be held at our community park on April 2nd at 12 Noon. Games events at noon for ages 4 - 10, followed by egg hunt.

Crime Watch Report

The Crime Watch Committee recently held a "Meet the Candidate for Sheriff Night". Refreshments were provided by the Civic League and 70 people attended!

If you weren't there, you missed an interesting event. All four candidates for sheriff were present and discussed their stands on local law issues such as night patrols, mutual aid policies, Drug task force involvement, costs of law enforcement, transporting prisoners and other topics relevant to the county.

Crime Watch & Disaster Committee meets the 2nd Tuesday every month at 7:30 p.m. in the clubhouse. We need your support, come join in with us!
