

SNUG HARBOR PROPERTY OWNER'S ASSOCIATION 2025 POOL PASS/TAG REQUEST FORM

SHPOA Pool Tags for Owners & Residing Friends/Family

The purpose of this form is to validate and track the sale of the SHPOA Pool Tags to ensure that those purchasing the passes are authorized. The policy is intended to benefit SHPOA property owners in good standing and afford them and those residing with them and up to two guests the privilege of the \$10.00 annual swimming pool pass. **Pool Tags are not included in your Assessments, they are an additional charge. By filling out this form and signing it, you are validating the family or friends who reside with you or camps in P-section during the pool season.** Please fill out this form completely. The following rules apply. If you do any of the following, there will be a recommendation that your SHPOA pool and common area privileges be suspended for the summer season:

1. No reselling these tags
2. No giving any tags to other people. Each tag has been assigned to an individual.
3. Falsifying family information.

Incomplete forms will result in a delay getting your pool tags. The forms will be held at the SHPOA office until your information is completed and validated. **Pool tag numbers will be entered on this form by SHPOA.** If you have any questions, please call the SHPOA office at 252-426-5172 for assistance.
