Joan Revell is the legal chair again. My primary goal for the coming year is to ensure that our community remains a desirable, well-maintained, and financially stable place for all residents.

While part of my role involves the challenging task of enforcing rules and collecting dues, I understand the importance of transparency and open communication with community members. To this end, I aim to foster understanding and collaboration through the following goals:

1. Enhance communication channels to keep residents informed about board decisions, ensuring transparency and addressing any concerns or misconceptions.
2. Promote timely and fair enforcement of regulations while exploring options to assist residents who may be facing financial hardships.
3. Actively engage with the community to identify areas for improvement and solicit feedback on new initiatives or amenities.
4. Work closely with fellow board members to develop long-term strategies that enhance property values and overall resident satisfaction.

By working together and maintaining an open dialogue, I am confident that we can achieve these goals and continue to make our community a great community

Tracy Kenyon is heading our Aesthetic chair and shadowing the treasurer this year. Her focus will be on assuring our community looks the best it can.

Letter From The President

Welcome to Spring of 2025! Spring is around the corner. Our share of snow this year made up for the past few years of no or little snow.

There were some questions about the voting process and counting of votes. The votes were recounted by the Board of Governors with the same end result from the members of the team that did the original vote counts.

In the election process this year our lawyer recommended that we put in place some guidelines for members to run for the board.

Our only requirement was that they be a member in good standing. That designation is simply that all they were current on an assessments and fines.

Taking the lawyers advice the board adopted the following policy.

These eligibility criteria are established to ensure that the candidates running for the Board of Governors uphold the values and standards of the SHPOA community and can effectively serve the best interests of the association and its members. In order to be eligible to run for the Board of Governors for the Snug Harbor Property Owners Association, individuals must meet the following criteria:

1. Membership in Good Standing: Candidates must be a member in good standing of the SHPOA community, with all dues and assessments paid up to date.
2. No Sex Offender Record or Felony Convictions: Candidates must not be listed on any sex offender registry, and must not have any history of sexual offenses. Candidates must not have been convicted of a felony. (Applicants will need to submit a background check prior to being accepted as a nominee. If a member is nominated from the floor at the Annual meeting, and is elected, they will be provisional until a background check has been completed)
3. Compliance with Board Rules: Candidates who have previously served on the Board of Governors must not have a history of breaking the board rules during their tenure.
 - If a board member leaves for any reason, they will not be able to run for three years. If you leave because of health reasons, medical leave of absence you could be considered with Board approval. (Approved 3.8.2025)

Website and Facebook

Snug Harbor News or event updates will automatically be sent to the property owner at the email address we have on file, so please be sure you visit the community website and register with your email if you have not already.

We would like to start sending assessments by email to those agreeing, this will be an opt in and not mandatory, more info will be coming later this year on our fall/winter newsletter and email, but we will need your email address to make that happen, so hope on over to our webpage and register.

Our hopes are to save on postage from mailings next year and be able to put more back into the community. Please do check your spam folder if you do not receive the news updates and have already signed up.

We have a sanctioned Facebook page we will share info on as well. A great place for community members to get recommendations for things needed, share things going on within the community, share lost pets, communicate and lift each other up.

Any negative posts or those that violate the page rules will be deleted. Please remember what those on the outside see will affect their decision to move to our community. A negative community will not bring new owners and will harm property values. One way to increase those values is to be a good and positive neighbor. True concerns not civil may be brought to the board via a concern form. We cannot handle civil disputes. We are only here to uphold the covenants and policies for the community and limited to what we can address.

Minutes of the Board Of Governors Meetings can be viewed from the navigation bar.

Civic League Event Photo gallery is under the "Community" tab in the navigation bar.

The 'New Owners Letter is located under the Community Tab not under the 'Documents' tab.
