## What is a local collaborative?

**2004 Legislation passed to address New Mexico's behavioral health system with the creation of:**

**① State-Level Behavioral Health Collaborative:**

15 state agencies involved in behavioral health and the Governor's office working to create a statewide behavioral health delivery system

**② Local Behavioral Health Collaboratives:**

18 region-based collaboratives intended to:

- Create, enhance and sustain needed partnerships among local agencies, community groups, families, consumers, and advocates.
- Be the voice of local communities, help identify needs, develop a range of resources, and ensure the relevance and responsiveness of services and supports to improve the quality of life of those affected by behavioral health outcomes.
- To the extent possible, provide local input to the State Collaborative on policy aspects of behavioral health services.

The LC2 covers Bernalillo County

### ③ Behavioral Health Planning Council

- Oversees Federal Mental Health and Substance Abuse Block Grants.
- Subcommittees include Native American; Children and Adolescent; and Adult Services, Substance Abuse, and Medicaid.
- One member from each LC is requested to be members of the subcommittees.
- Advises the State Behavioral Health Collaborative and the Governor.

## LC2 History

The original LC2 Disbanded in 2010. The bylaws for the now disbanded LC2, drafted in 2006, outline the leadership, membership and decision-making process as follows:
